
STATE SUPPLY COMPANY

we've got the drive!

State Supply Company has proudly served West Michigan and beyond for over 75 years, delivering trusted solutions for crushing, screening, and bulk material handling. We provide fluid power and power transmission products, motor controls, bearings, and specialty components from leading manufacturers – built to withstand the toughest quarry and mining environments.

In the aggregate industry, durability and performance are everything. That's why we stock the critical components you need to keep conveyors moving, crushers turning, and screening equipment running at peak efficiency. From boosting torque to identifying worn parts before they fail, our expert team helps keep your operation moving – because every ton counts.

FLUID POWER

Engineered for high-load, high-wear environments in quarries and aggregate facilities.

- **Hydraulic Hose Assemblies**
- **Hydraulic Fittings, Adapters & Couplers**
- **Valves, Filters & Power Units**
- **Hydraulic Pumps & Motors**
- **Cylinders**
- **Custom Power Units**
- **Reservoir Accessories** (Breathers, Sight Gauges, Filler Caps)
- **Tube Assemblies**
- **Fabricated Tube Assemblies** – Custom-Built to Spec
- **O-Rings & Seals**
- **Welding Capabilities** – Available at our Fort Wayne location

POWER TRANSMISSION & MOTION CONTROL

Built to withstand constant shock loads, abrasion, and demanding duty cycles.

- **Mounted & Unmounted Bearings**
- **V-Belts, Synchronous Belts, Round & Specialty Belting**
- **Industrial Chain & Sprockets**
- **Precision Pulleys & Idlers**
- **Brakes & Clutches**
- **Screw Conveyors & Components**
- **Shafting & Keyed Bar Stock**
- **Sheaves, Sprockets & Bushings**
- **Shaft Couplings** (Grid, Jaw, Disc, Rigid)
- **Conveyor Belting** (Heavy-Duty, Cleated, Chevron, Heat-Resistant)
- **Gearboxes & Speed Reducers** (Helical, Shaft Mount, Right Angle)
- **Bulk Material Handling Components:**
  - » Pulleys
  - » Take-Up Frames
  - » Rollers
  - » Idlers
  - » Bucket Elevators
  - » Drag Conveyors
  - » Black Belt Conveyors

INDUSTRIAL HOSE & FITTINGS

Durable solutions for abrasive materials, high pressures, and demanding site conditions.

- **Industrial Hose** (Material Handling, Water, Air, Oil, Steam, Chemical)
- **Hose Fittings, Adapters & Quick Couplings**
- **Hose Clamps** (Heavy-Duty & Standard)
- **In-House Crimping Capabilities up to 10" Diameter**
  – Available at our Fort Wayne location

EQUIPMENT LUBRICATION & CONDITION MONITORING

Maximize uptime with proactive maintenance and protection solutions.

- **Oils & Greases**
- **Automatic & Manual Lubricators**
- **Lubrication Equipment & Systems**
- **Monitoring Equipment & Sensors** (Temperature, Vibration, Load)

ELECTRICAL & CONTROL SOLUTIONS

Protect, control, and automate critical systems in harsh, high-dust conditions.

- **Electric Motors** (Severe Duty, Crusher Duty, Washdown)
- **Variable Frequency Drives** (VFDs)

APPLICATIONS & EQUIPMENT WE SUPPORT

Ensure peak performance and reliability across all critical aggregate production operations.

- **Crushers**
- **Screening & Washing Plants**
- **Conveyor Systems & Stacking Equipment**
- **Loadout Systems, Silos & Hoppers**
- **Portable Plant Equipment**

From belts and bearings to motors and idlers, we stock what aggregate operations rely on. Let us help you find the right solution – fast.
