STATE SUPPLY COMPANY

we've got the drive!

State Supply Company has proudly served West Michigan and beyond for **over 75 years**, delivering proven solutions for asphalt production, gravel processing, and bulk material handling. We provide fluid power and power transmission products, motor controls, bearings, and specialty components from leading manufacturers – built to handle the heavy loads and harsh conditions of paving and aggregate work.

In the asphalt and gravel industries, success depends on keeping equipment running smoothly and efficiently. That's why we stock the essential components you need to keep mixers turning, conveyors moving, and crushers performing at their best. From maximizing throughput to spotting wear before it leads to downtime, our experienced team keeps your operation on track – because every load matters.

- **Cylinders** (Gate, Drum, Feeder Control)
- **Power Units** (Standard & Custom Builds)
- **Valves** (Directional, Pressure Relief, Flow Control)
- **Hydraulic Filters & Filtration Systems**
- **Accumulators & Accessories**
- **Quick Couplers & Fittings**
- **Hose & Tubing** (Rubber, Thermoplastic & Stainless)
- **Fittings & Adapters**
- **Fabricated Hose & Tube Assemblies**
- **Hose Mounting & Safety Accessories**
- **O-Rings & Seals**
- **Welding Capabilities** – Available at our Fort Wayne Location

POWER TRANSMISSION & MOTION CONTROL

- **Mounted & Unmounted Bearings**
- **V-Belts, Synchronous Belts, Round & Specialty Belting**
- **Industrial Chain & Sprockets**
- **Brakes & Clutches**
- **Screw Conveyors & Components**
- **Sheaves, Sprockets & Bushings**
- **Shaft Couplings** (Grid, Jaw, Disc, Rigid)
- **Gearboxes & Speed Reducers** (Helical, Shaft Mount, Right Angle)
- **Conveyor Belting** (Heavy-Duty, Cleated, Chevron, Heat-Resistant)
- **Bulk Material Handling Components:**
  - » Pulleys
  - » Take-Up Frames
  - » Rollers
  - » Idlers
  - » Bucket Elevators
  - » Drag Conveyors
  - » Black Belt Conveyors

PNEUMATICS

- **Pneumatic Actuators & Cylinders**
- **Air Compressors** (Electric & Diesel)
- **FRL Units** (Filter, Regulator, Lubricator)
- **Solenoid & Manual Valves**
- **Air Hoses & Reels**
- **Tubing**
- **Quick Couplers**
- **Fittings & Adapters**

INDUSTRIAL HOSE & FITTINGS

- **Industrial Hose** (Material Handling, Water, Air, Oil, Steam, Chemical)
- **Hose Fittings, Adapters & Quick Couplings**
- **Hose Clamps** (Heavy-Duty & Standard)
- **In-House Crimping Capabilities up to 10" Diameter**
  – Available at our Fort Wayne location

EQUIPMENT LUBRICATION & CONDITION MONITORING

- **Oils & Greases**
- **Automatic & Manual Lubricators**
- **Lubrication Equipment & Systems**
- **Monitoring Equipment & Sensors** (Temperature, Vibration, Load)

MOTION CONTROL SOLUTIONS

- **Electric Motors** (Severe Duty, Crusher Duty, Washdown)
- **Variable Frequency Drives** (VFDs)

APPLICATIONS & EQUIPMENT WE SUPPORT

- **Asphalt Batch & Drum Plants**
- **Portable Crushing & Screening Units**
- **Aggregate Handling & Conveyance**
- **Tank Farms & Loadout Facilities**
- **Bucket Elevators, Screw & Drag Conveyors, Belt Systems**

From belts and bearings to motors and idlers, we stock what asphalt and gravel operations depend on. Let us help you find the right solution – fast.
