STATE SUPPLY COMPANY

we've got the drive!

State Supply Company has supported food and beverage facilities across West Michigan and beyond for over 75 years, delivering hygienic, reliable, and efficient solutions for processing environments. We supply sanitary fluid power systems, motor controls, bearings, and specialty components from trusted manufacturers—all designed to meet strict industry standards.

In food production, uptime and safety are essential. That's why we stock the critical parts to keep your operations running smoothly, from ingredient handling to packaging. Whether you're replacing components or improving system performance, our team is here to help reduce downtime, increase efficiency, and maintain product quality.

ELECTRICAL & AUTOMATION SOLUTIONS

Smart controls and protected power systems for production-critical applications.

- **VFDs & Soft Starters with IP66/NEMA 4X Enclosures**
- **Panel Enclosures & Junction Boxes** (Stainless, Non-Metallic)
- **PLCs, HMIs & Automation Controls**
- **Industrial LED Lighting for Production & Cold Storage**
- **Safety Switches, E-Stops, Interlocks, & Beacon Alarms**
- **Washdown & Stainless Electric Motors** (TEFC, Inverter Duty, Brake Motors)
- **Sensors for Level, Flow, Temp, Proximity & Photoelectric Applications**

FLUID POWER SOLUTIONS

Designed to perform in washdown, high-temperature, and food-grade environments.

- **Hydraulic Pumps, Motors & Cylinders**
- **Stainless Steel Power Units** (Custom Builds Available)
- **Washdown-Safe Valves & Controls**
- **Food-Grade Hydraulic Hose Assemblies**
- **Reservoir Accessories, Breathers & Sight Gauges**

POWER TRANSMISSION SOLUTIONS

Built to handle high-load, continuous operation in hygienic production environments.

- **Stainless & Washdown-Rated Bearings**
- **Food-Grade Conveyor Belting** (Incline, Cleated, Modular)
- **Shaft Couplings** (Jaw, Grid, Rigid, Disc)
- **Chain & Sprockets for Washdown Environments**
- **Stainless or Epoxy-Coated Gear Reducers**
- **Idlers, Pulleys & Tensioners**
- **Timing Belts & V-Belts** (Non-Marking / Antimicrobial Options)

APPLICATIONS WE SUPPORT

- **Meat, Poultry, and Seafood Processing**
- **Beverage Bottling & Canning**
- **Frozen & Refrigerated Foods**
- **Baked Goods & Snack Foods**
- **Dairy Processing**

From conveyors and couplings to motors, sensors, and more, we stock the components food processors rely on. Whether you're replacing parts or optimizing performance, we provide the solutions that keep production efficient, safe, and compliant. Our industry experts are ready to help you find the right fit quickly and confidently.
