STATE SUPPLY COMPANY

we've got the drive!

State Supply Company has proudly served West Michigan and beyond for over 75 years, supporting the HVAC industry with reliable, high-performance solutions. We provide fluid power and mechanical power transmission products, motor controls, bearings, and specialty components from trusted manufacturers—built for demanding commercial and industrial environments.

HVAC systems depend on **uptime, precision, and performance**. That's why we stock the critical components you need to keep air moving and systems running efficiently. From boosting torque to identifying worn parts, our expert team helps keep your operation running—because every degree of comfort counts.

FLUID POWER

- **Pneumatic Valves, Cylinders & Actuators**
  Used in damper control, building automation, and zone regulation
- **Hydraulic Hoses & Fittings**
  For mobile HVAC equipment and specialized service tools
- **Filters & Lubrication Systems**
  Extend equipment life and minimize downtime

INDUSTRIAL HOSE & ACCESSORIES

- **Air Hoses & Fittings**
  For use with pneumatic tools in service trucks and shops
- **Reel Systems**
  Organize air hoses, extension cords, or recovery lines
  Featured Brand: Reelcraft
- **Vacuum & Suction Hoses**
  Used in duct cleaning and refrigerant recovery

POWER TRANSMISSION

- **V-Belts & Timing Belts**
  For blowers, rooftop units, and fan assemblies
  Featured Brands: Gates, Bestorq, Bando
- **Bearings & Pillow Blocks**
  Found in air handlers, fans, and condenser units
  Featured Brands: Dodge, IKO, ORS, Nachi
- **Electric Motors & Gear Reducers**
  Driving compressors, exhaust fans, and air movers
  Featured Brands: Toshiba, Nord, Dodge, ABB/Baldor
- **Sheaves, Bushings, Shaft Collars**
  Ensure proper tension and alignment in belt-driven systems
  Featured Brands: Dodge, Climax, Gates, Martin, IDC-Select

From belts and bearings to motors and reels, we stock what HVAC pros count on. Let us help you find the right solution—fast.
