STATE SUPPLY COMPANY

we've got the drive!

State Supply Company brings over 75 years of experience supporting processing facilities across West Michigan and beyond. We provide hygienic, reliable, and efficient solutions for demanding production environments, including sanitary fluid power systems, motor controls, bearings, and specialty components from trusted manufacturers—all designed to meet industry standards.

Uptime, cleanliness, and safety are critical in egg and poultry production. We stock the essential parts to keep your systems running, from processing to packaging, helping you reduce downtime, improve efficiency, and maintain product quality.

POWER TRANSMISSION SOLUTIONS

Rugged, reliable components for conveyors, feeders, and processing equipment.

- **Mounted Bearings**
- **Industrial V-Belts & Timing Belts**
- **Gearboxes & Speed Reducers**
- **Couplings** (Jaw, Grid, Disc)
- **Conveyor Belting & Fasteners**
- **Chain & Sprockets**
- **Pulleys & Idlers**

Featured PT Suppliers:
Gates, Martin, Lovejoy, MasterDrive, Fenner, Hub City, Nachi, Koyo

ELECTRICAL & CONTROL SOLUTIONS

For process control, motor management, and facility safety in washdown environments.

- **Electric Motors** (Severe Duty, Washdown Rated)
- **Variable Frequency Drives** (VFDs) **& Soft Starters**

statesupplyco.com

FLUID POWER SOLUTIONS

Built to withstand continuous operation and washdown environments.

- **Hydraulic Pumps, Motors, & Cylinders**
- **Hydraulic Power Units & Valves**
- **Pneumatic Cylinders & Valves for Equipment Actuation**

KEY EQUIPMENT & PROCESS SUPPORT

- **Feed & Conveyor Systems**
- **Poultry Processing Lines**
- **Ventilation & Climate Control**
- **Water & Waste Handling Systems**
- **Egg Handling & Packaging**
- **Heating, Cooling & Automation Controls**

From conveyor belting and couplings to motors, sensors, and more, we supply the components egg and poultry processors depend on. Whether you're replacing parts or optimizing system performance, we deliver solutions that keep production efficient, sanitary, and compliant. Our team has the industry expertise to help you find the right fit quickly and confidently.
